

# 2026 BPD Singapore

Biopharmaceutical **Bioprocess** Development Summit

September 22-23, 2026 | Singapore

ORGANIZER  ENMORE BIO

CO-ORGANIZER  XDC  
The Bioconjugation Leader

[BPD\\_BIOPROCESS@enmore.com](mailto:BPD_BIOPROCESS@enmore.com)

The **BPD Biopharmaceutical Bioprocess Development Summit** is an industry benchmark event focusing on the entire workflow of biopharmaceutical process development to commercial manufacturing. Since the first summit was held in China in 2017, BPD has continuously dedicated itself to frontier technology exchange, product user interaction, and connecting the upstream and downstream of the industry.

**2025 BPD Singapore**, in partnership with WuXi XDC, brings together over 500 participants and more than 50 speakers from multinational corporations (MNCs), Biotechs, research institutions, regulatory authorities, upstream suppliers, and service providers across the Asia-Pacific, Europe, and North America. The event jointly explores cutting-edge topics such as bioprocess innovation, global manufacturing pathways, and regulatory strategies. Through forums, site visits, and networking dinners, BPD Singapore facilitates cross-regional CMC collaboration and knowledge sharing.

## Key Highlights

- Focus on biopharmaceutical CMC development exchanges between Asia, Europe, and North America
- Facilitate innovative Chinese pharmaceutical companies and upstream suppliers in going global
- Jointly explore process market opportunities in the Asia-Pacific, European, and North American biopharmaceutical sectors

## BPD Singapore

Attendees 500+  
Speakers 50+

## 2026 BPD Singapore

2026 BPD Singapore				
Day1	AM	BPD Plenary Forum		
		Innovation, Regulation and Cooperation		
	PM	Session 1	Session 2	Session 3
		<b>BPD Technology Forum - New Technology in Bioprocessing</b>	<b>BPD Technology Forum - From Modality to CMC</b>	<b>BPD Closed-door Meeting</b>
	Upstream Process/Downstream Process/Formulation	Cell Therapy/Gene Therapy/Nucleic Acid Drugs/Radiopharmaceuticals	<b>BPD NIGHT</b>	
Day2	AM	<b>BPD Future Forum - From Molecular to CMC</b>	<b>BPD Technology Forum - Global Development</b>	
		mAb/BsAb/XDC	Regulations, Technology Transfer and Process Validation	<b>CTO Luncheon</b>
	PM	<b>BPD Technology Forum - AI</b>	<b>BPD Technology Forum - Quality and Analysis</b>	
		Application of AI in CMC Development	Quality Standards and Quality Analytical Method Development	

## 2026 BPD Singapore (Session 1)

### BPD Plenary Forum

#### Innovation, Regulation and Cooperation

09:00-09:10 Welcome speech

09:10-09:30 Keynote speech: Navigating Global Regulatory Landscapes: Aligning Innovation with Compliance in Biologics Commercial Production

09:30-09:50 Keynote speech: Innovating for Patients: Industrial Advancement in Biologics Development

09:50-11:00 Panel Discussion: Regulatory and Industry Perspectives on Cross-Border Cooperation: Harmonization and Accelerated Approval of Biologics

11:00-12:00 Lunch & Networking

### Session 1 BPD Technology Forum

#### XDC

12:00-12:30 Keynote speech: Bispecific ADC Conjugation Process Scale-up Production to Commercialization Empowerment

12:30-13:00 Keynote speech: Quality Research and Analytical Strategies for ADC Complex Molecules

13:00-13:30 Keynote speech: Stability Optimization of XDC Lyophilized Formulations and Innovative Formulation

13:30-14:00 Q&A

14:00-14:40 Networking

14:40-15:10 Keynote speech: Application and Process Validation for XDC Process Scale-up

15:10-15:40 Keynote speech: Technical Points and Localized Production Design for XDC Process Transfer to Southeast Asia

15:40-16:40 Panel Discussion: Key Challenges and Solutions for Conjugation Efficiency in XDC Process Development

16:40-17:00 Q&A

### BPD Closed-door Meeting

Closed-door Meeting: Asia Pacific and Middle East Regulatory Authorities

### BPD NIGHT

AM

PM

9/22

## 2026 BPD Singapore (Session 2)

### BPD Plenary Forum

#### Innovation, Regulation and Cooperation

AM

09:00-09:10 Welcome speech

09:10-09:30 Keynote speech: Navigating Global Regulatory Landscapes: Aligning Innovation with Compliance in Biologics Commercial Production

09:30-09:50 Keynote speech: Innovating for Patients: Industrial Advancement in Biologics Development

09:50-11:00 Panel Discussion: Regulatory and Industry Perspectives on Cross-Border Cooperation: Harmonization and Accelerated Approval of Biologics

11:00-12:00 Lunch & Networking

### Session 2 BPD Technology Forum

#### Cell Therapy/Gene Therapy/Nucleic Acid Drugs/Radiopharmaceuticals

12:00-12:30 Keynote speech: CMC Development for Cell Therapies: From Lab to Commercialization

12:30-13:00 Keynote speech: Overcoming Viral Vector Production and Scale-Up Hurdles in Gene Therapy CMC

13:00-14:00 Panel Discussion: Modality-Specific CMC Technical Hurdles and Industrial Innovation Trends

14:00-14:40 Networking

PM

14:40-15:10 Keynote speech: CMC Innovation for Stability and Delivery Optimization in Nucleic Acid Therapeutics

15:10-15:40 Keynote speech: CMC Quality Control and Process Validation for Radiopharmaceuticals

15:40-16:40 Panel Discussion: Scaling Continuous Bioprocessing Technologies for Commercial Biologics Production

16:40-17:00 Q&A

### BPD Closed-door Meeting

Closed-door Meeting: Asia Pacific and Middle East Regulatory Authorities

### BPD NIGHT

9/22

## 2026 BPD Singapore (Session 1)

### Session 1 BPD Future Forum

#### BsAb/Tri-specific Ab/Formulation

AM

09:00-09:30 Keynote speech: Stability Studies of Multispecific Antibody Molecules  
 09:30-10:00 Keynote speech: Scalable CMC Development for BsAb and Tri-specific Ab Commercialization  
 10:00-10:30 Keynote speech: Manufacturing Process Validation for Formulation Development  
 10:30-11:00 Networking  
 11:00-12:00 Panel Discussion: CMC Scale-Up and Tech Transfer Challenges for BsAb Products

9/23

### CTO Luncheon

12:00-13:00 CTO Luncheon

### Session 1 BPD Technology Forum

#### Application of AI in CMC Development

PM

13:00-13:30 Keynote speech: AI Enabled CMC Process Optimization for Biologics Manufacturing  
 13:30-14:00 Keynote speech: AI Driven Predictive Modeling for CMC Formulation Development  
 14:00-15:00 Panel Discussion: Overcoming Barriers to AI Tool Integration in Biopharma CMC Workflows  
 15:00-15:40 Networking  
 15:40-16:40 Panel Discussion: Adapting AI Algorithms to Biopharma CMC Workflow Complexity and Variability  
 16:40-17:00 Q&A

## 2026 BPD Singapore (Session 2)

### Session 2 BPD Technology Forum

#### Regulations, Technology Transfer and Process Validation

AM

09:00-09:30 Keynote speech: Process Validation of Global Biologics Based on Compliance and Filing Risks  
 09:30-10:00 Keynote speech: Building Regulatory Collaboration system for Cross-Border Technology Transfer  
 10:00-10:30 Keynote speech: Technology Transfer Best Practices for Emerging Biopharma Markets  
 10:30-11:00 Networking  
 11:00-12:00 Panel Discussion: Best Practices for Cross Regional CMC Tech Transfer and Process Validation

### CTO Luncheon

9/23

12:00-13:00 CTO Luncheon

### Session 2 BPD Technology Forum

#### Quality Standards and Quality Analytical Method Development

PM

13:00-13:30 Keynote speech: Addressing Analytical Method Validation Challenges in CGT area  
 13:30-14:00 Keynote speech: Industrial Case Studies of Biopharma Quality Analytical Method Optimization  
 14:00-15:00 Keynote speech: Harmonization of Global Quality Standards for Advanced Biotherapeutics  
 15:00-15:40 Networking  
 15:40-16:40 Panel Discussion: Analytical Technology Advances for Biopharma CMC Quality Assurance  
 16:40-17:00 Q&A

## Co-Organizer

**Value: \$20,000**

Recognition as supporting unit of the 2026BPD@Singapore, with logo exposure in press releases, EDM, and community operations, reaching:

- 140,000+ Chinese Pharma Clients
- 30,000+ Overseas Professionals
- 20+ Countries and Regions

### **Benefit:**

- 1 exhibition booth at 2026BPD Singapore
- 10 passes
- 20 min Speech
- 1 VIP seat at the exclusive networking reception for high-value connections
- 1 WeChat Promotional News Letter

## Booth

**Value: \$7,500**

Super Early Bird Price: 6,000 (By June 30)

### **Benefit:**

- 1 Regular Booth: 1 table, 2 chairs
- 4 passes
- On-site materials and logo display in pre-event publicity

## General Pass

**Value: \$750**

Early Bird Price: 600 (By August 31)

Super Early Bird Price: 525 (By June 30)

### **Benefit:**

- Access to 2026BPD Singapore

## Reception Supporting Unit

Value: \$20,000

### Benefit:

- Exclusive Benefit: 2-3 minute speech to showcase your host status
- Engagement: 2 senior executives are entitled to attend the event
- On-site Exposure: Brand presence of the supporting unit through on-site setup

Total Registrants  
**643**

Keynote Presentations  
**29**

Co-organizers  
**9**

## 2025 BPD Singapore

Biopharmaceutical Bioprocess Development Summit  
Sept 24-26, 2025 | Sands Expo & Convention Centre, Singapore

ORGANIZER	ENMORE BIO
CO-ORGANIZER	XDC, DOWNING, LISURE, ANVIGEL, cytiva
SPONSOR	BIO-LINK, SYNTEGON, ThermoFisher, MORIMATSU, eppendorf, ALI@TH, West
TEA BREAK SPONSOR	MORIMATSU, cytiva
DINNER SPONSOR	cytiva, MERCK, SYNTEGON

Speakers  
**49**

Panel Interviews  
**7**

Exhibitors  
**17**
