

# BIO CHINA | 2026 Fusion Forward

International Convention

March 12-14, 2026  
Suzhou International Expo Center

## **BiO Partnering**

易企约见

1 on 1 Partnering Meeting

Investment

Cooperation

Supply chain

BiOPartnering, organized by Enmore Bio, brings together leaders from MNC, Pharma, investment institutions, biotech, entrepreneurs, and scholars. Through 1-on-1, 30-minute meetings, participants can discuss cutting-edge technologies, innovative applications and development trends. The platform is designed to facilitate in-depth and efficient dialogues, tailored to business needs, providing opportunities for investment, project transactions, and collaborations.

BiOPartnering aims to provide attendees with opportunities for networking, collaboration, and investment, driving the international growth of the biotechnology industry and fostering global cooperation and mutual benefit in biotech innovation and application.
